

Maths medium term plan

Autumn term

Rote counting	Rote counting	Rote counting	Rote counting	Rote Counting	Recognising numerals	Addition	Size	Recognising numbers to 10 and beyond	Recognising numbers to 20
Recognising numbers	Recognising numbers	Recognising numbers	Weight	Shapes	Counting accurately	Size	Comparison of size - long/short, shorter/longer	Counting accurately	Counting accurately
Ordering numbers	Forming numbers	Forming numbers	Finding the total	Patterns	Creating patterns	Ordinal numbers to 5	Counting	Addition	Days of the week
		Sorting	Forming Numbers	Number formation	Forming numbers	Forming numbers		Forming numbers	

Spring term

Addition using numbers to 10 and beyond	Addition - numbers to 10	Counting in 2s	Subtraction	Sequencing numbers	Counting accurately	Addition	Data handling	Money	Orders and sequences familiar events.
Number formation	Number bonds to 10	Addition	Counting in 2s	Finding missing numbers	Counting in 10s	Subtraction	Sorting	Addition	Measures short periods of time in simple ways.
	Counting	Forming numbers	Forming numbers	Subtraction	Recognising numbers	Teen numbers	Pictograms	Forming numbers	
	Sorting		Recording number sentences	Recording number sentences	Teen numbers	Problem solving			

Summer term

Capacity	Arithmetic skills	Time	Counting in 2s	Measuring - Height & Length	Recording data	Doubling	Estimating/Recording Time	Ordering and sequencing numbers	One more/ one less
Measuring	Number problems	Number formation	Subtraction	Estimating	Presenting data - Bar graphs	Halving	Recognising coins and their value	Addition and subtraction	Doubling/halving
	Odds and evens		Understanding 10s		Interpreting data	Arithmetic skills	Addition	Problem solving
