It is important that your grant is used effectively and based on school need. The <u>Education Inspection Framework</u> makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the <u>Quality of Education</u> Ofsted inspectors consider: **Intent** - Curriculum design, coverage and appropriateness **Implementation** - Curriculum delivery, Teaching (pedagogy) and Assessment **Impact** - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit
 pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Pleasevisit<u>gov.uk</u>fortherevisedDfEguidanceincludingthe5keyindicatorsacrosswhichschoolsshoulddemonstrate animprovement.Thisdocumentwillhelpyoutoreviewyourprovisionandtoreportyourspend.DfEencouragesschools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to <u>publish details</u> of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment. All funding must be spent by 31st July 2022.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click <u>HERE</u>.

Total amount carried over from 2021/22	f0
Total amount allocated for 2021/22	£19,476
How much (if any) do you intend to carry over from this total fund into 2022/23?	£0
Total amount allocated for 2022/23	£19,476
Total amount of funding for 2022/23. To be spent and reported on by 31st July 2023.	£19,477.45

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020. Please see note above	92%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	92%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	96%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes – Year 6 Booster Swimming sessions carried out using sport premium during the Summer Term.

Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
 We identified the need for additional P.E. intervention for SEND children to enhance their development (i.e. coordination and social skills) but also to improve selfconfidence and encourage participation within sporting events. A staff member attended an F.A. Girls Active course which focuses on the engagement of less active girls (specifically upper KS2) to encourage participation in sport as well create a positive link between sporting activities participated in within primary school and onto secondary school. Through on-going Change4Life training within each academic year, the need to engage less active pupils is paramount. A C4L club is held during every 	 identified children in order to help improve co- ordination, mobility and motor skills. F.A. Girls Active club held during two lunch times where the club ambassadors organise a range of sporting activities, supported by an internal sports coach. Our internal sports coaches run our C4life club within every Breakfast Club as well as on a Friday afternoon which provides less active pupils with the opportunity to participate in a range of sporting activities. 	£350 £590	 Parental feedback is positive for the improvement they have seen within their children. Positive feedback from the children. Increased self-esteem and confidence shown by willingness to participate in future events. Increased participation in lunchtime clubs as the weeks progress. Increased pupil participation in Sports Day and Sports Week 	 Improve participation at Level 3 competition standard Continue use of new assessment system to find essential areas an criteria to aid pupils' development.
